

Matchborough Marathon

We are going to be taking part in an exciting event, where all the children at Matchborough First School Academy work together to run the 'Matchborough Marathon.'

Each class is going to complete laps of the running track which will accumulate to the distance of a whole Marathon per class.

This event will raise money for The Grace Kelly Childhood Cancer Trust. Which is a fantastic charity!

Mrs Smith and our Key Stage 2 School Council will be organising and assisting with the event as part of their role and will use this as an opportunity to develop their understanding of charity work, working with the community and citizenship.

To help this amazing cause we are asking children to gain sponsorship for their sporting triumph, asking friends and family to donate anything they can to support.

As an added bonus, Halfords have donated 3 scooters and helmets to the school, and all completed and returned sponsorship forms will be entered into a prize draw to win one!

Please complete the sponsorship form overleaf, collect all sponsorship money and return it to school by **Friday 9th July**.

Winners of the scooters and helmets will be announced on **Monday 12th July**.

Each Year group will complete their class marathon on an allocated day during the week commencing **28th June**:

Monday 28th June—Year 4

Tuesday 29th June—Year 3

Wednesday 30th June—Year 2

Thursday 1st July—Year 1

Friday 2nd July— Reception

Year groups Sports Days will also be held on the same day .

Thank you for your continued support.
