Dear Parents /Carers,

In the likelihood of another school lockdown, we are trying to assess who would qualify as a key worker. Please note evidence will be required. As a school we accept written letters/emails from employers, photographs of ID badges or payslips. Your evidence will have to include your name and a clear description of your role.

We ask that you refer to the Government Guidance 'Critical workers and vulnerable children who can access schools or educational settings' under the section 'Critical Workers' for the definition of critical workers and a list of specific jobs. Please note, Parents/Carers of vulnerable children will be contacted separately.

If you do qualify as a key worker, your child/children will be expected to attend school full time and will be allocated a key worker bubble in their year group.

Please complete the attached form and forward all relevant evidence to covid@matchborough.worcs.sch.uk

Kind regards,

Mrs J Harris
Headteacher
