Skills

I can:

PAINTING		
colour mix primary, secondary and tertiary colours	alter colours to achieve darker and lighter tones gradually blending them to achieve smooth transition	use acrylic paint applied with thin brushes to achieve detail create a printing block to print on top of a painting
DRAWING		
show detailed perspective and viewpoint to produce scaled drawings	work on top of lines and shading to build up effects and enhance with different drawing media	add 3d form using progressive tonal shading dark to light in a circular motion using a range of pencil grades
SCULPTURE		
manipulate materials to construct a freestanding 3d form	make choices to change and enhance my design as I work	
GENERAL		
use a view finder to focus on part of an image in detail take abstract photographs using an iPad and zoom functions	record my progression of skills in my sketchbook with valuable annotation	continually review my own and others work identifying areas of strength and areas for development

Knowledge

I know:

how to colour mix to create a wide range of colours and tones including tertiary colours	how to identify where light falls on an object and represent this in media	about three artists and their style of art work: Andy Warhol, Georgia O'Keefe, Alexander Calder
