

Topic Vocabulary, Skills and Knowledge

Subject.....Geography..... Year.....4..... Curriculum lead.....Miss Pelling...

Vocabulary

I understand and can use these words:

Europe	Copenhagen	Scotland	Digital map
Norway	climate zones	human feature	Compass
Oslo	tropic	physical feature	North
France	arid	mountain ranges	East
Paris	mediterranean	Alps	South
Germany	temperate	Pyrenees	West
Berlin	continental	Scandinavian Peninsula	North East
Russia	polar	settlement	South East
Moscow	Tropic of Capricorn	land use	North West
Spain	Tropic of Cancer		South West
Madrid	latitude		Six figure grid reference
Sweden	longitude		
Stockholm	Equator		
Denmark	Netherlands		

Skills

I can:

Locate important countries in Europe	Identify human and physical features of Scotland	Create a digital map of our local area with symbols and a key
Locate capital cities in Europe	Identify human and physical features of Norway	Use the eight points of a compass to describe a location
Compare weather patterns around the world using climate zones	Compare the human and physical features of Norway and Scotland	Identify similarities and differences on maps including ones from different places
Locate the tropic of cancer and Capricorn	Identify mountain ranges in Europe	Recognise how people have been affected by local area change
	Identify different types of settlement and land use	Use 6 figure grid references
		Create a graph to show rainfall in Redditch

Knowledge

I know:

Topic Vocabulary, Skills and Knowledge

Subject.....Geography..... Year.....4..... Curriculum lead.....Miss Pelling...

The names of the different climate zones	How and where mountains are formed	
How latitude and longitude are linked to climate	The differences between mountains and volcanoes	
	How land use has changed over time
